

Bean Head Toys

Mini Summer Camps 2009

Need just a few hours to yourself a few days a week during the summer? Are your kids bored and need some creative, engaging interaction away from the house? Then a mini camp at Bean Head Toys is the solution. Each mini camp day is three hours long giving you that errand-running time and giving them a break from the daily routine.

Mini Camps will be held Tuesday, Wednesday and Thursday from 10:00am-1:00pm for rising **1st** through **4th** grade students. Please send campers in old clothes and have them bring their lunch. No electronic devices allowed. 10 children per camp.

June 23, 24, 25

10:00am-1:00pm

Cool Science!

Campers will work with our very own "Einstein" to delve deep into the scientific world of cool, gross, and "how did that work" science. Campers might grow their very own edible crystals, make gooey jelly balls, and explore the world of natural dyes just to name a few.

July 14, 15, 16

10:00am-1:00pm

Arts & Crafts:

Campers will work on guided projects creating memorable works of art during their three-day mini camp. Just a few projects they will work on are: Super Duper Rainsticks, Paper Mache Banks, Tissue Works of Art, and so much more.

July 28, 29, 30

10:00am-1:00pm

Cool Science...again!

Repeat of first Cool Science camp but with a few changes. Campers will work with our very own "Einstein" to delve deep into the scientific world of cool, gross, and "how did that work" science.
